Dedication

DEDICATION

We respectfully dedicate this annual, "Reflector of 1946," to those former students and teachers who left their homes and families when the nation called to give themselves to this great task.

Over one hundred and fifty went from this community into the services. They served in the Army, Navy, Coast Guard, Marines, Air Corps, Merchant Marine, Waves and Wacs. They served at home, in the camps in the United States, on the high seas and in every warring land.

They gave of their talents and skills, both small and large. They were of the learners of skills of war and in turn became teachers of war. They were in the ranks from the highest to the lowest. In short, they served where and when the nation had need of their services.

Four of those who went from this community gave their lives. They paid the supreme sacrifice of war. To them as a gesture of remembrance we dedicate this book especially. To us they are not soldiers or sailors, they are Larwill boys, our own. They are: Walter Krisher, Jack Gebert, Ansel Deeter and Junior Plattner.

THE YOUNG DEAD SOLDIERS

To Richard Myers, by Archibald MacLeish

The young dead soldiers do not speak,
Nevertheless they are heard in the still houses,
(Who has not heard them?)

They have a silence that speaks for them at night
And when the clock counts.

They say,
We were young, We have died. Remember us.

They say,
We have done what we could
But until it is finished it is not done.

They say,
We have given our lives
But until it is finished no one can know what our lives gave.

They say,
Our deaths are not ours,
They are yours,
They will mean what you make them.

They say,
Whether our lives and our deaths were for peace and a new hope
Or for nothing
We cannot say.
It is you who must say this.

They say,
We leave you our deaths,
Give them their meaning,
Give them an end to the war and a true peace,
Give them a victory that ends the war, and a peace afterwards.
Give them their meaning.

We were young, they say.
We have died.
Remember us.

SALUTATORY

To you, parents, faculty, and friends, we the graduating class of "46" extend a most cordial welcome.

We are aware that we are embarking on a more difficult task as we leave school life and enter life's school. But we feel capable of handling the hardships whatever they may be. For this confidence of ours we owe our twelve years of schooling which we could not have had if it weren't for you parents, teachers, and friends.

We have come to what you might call the parting of the ways. Some of us will seek further learning through college studies, others will enter the services of our country, still others will go elsewhere. But no matter where-ever we go or whatever we may do, we will never forget the fond memories of our High School days at Larwill.

Again on behalf of the Class of "46", I bid you welcome.

THE SENIOR CLASS OF 1946

We hate to leave good old Larwill High,
And the wonderful teachers who taught us why.
We must get our lessons first then together mix,
The Senior Class of 1946.

We have striven to make our grades with Honors,
Although the teachers thought us clowners.
With, "Put that eraser down," By Nix!
The Senior Class of 1946.

As we leave good old Larwill High,
We think of the good times, which have gone by,
And wish next year another class night to fix,
The Senior Class of 1946.

We have come to the end of a full twelve years,
With nary a care of worries or fears.
Now will take leave, and dig out our tricks,
The Senior Class of 1946.

— Erma Shell

(It's Only a Paper Moon)

IT'S ONLY A SENIOR CLASS

Say, it's only a Senior class graduating from L. H. S.,
And we really are so glad this class of ours did pass.
Oh, we've studied hard and tried, our education we can't hide,
And we really are so glad this class of ours did pass.
And with our pals, we have gone through Larwill High,
So now good-bye, though were leaving you now, we will miss it somehow,
We're a jolly and carefree class, just as happy as we can be,
And we really are so glad this class of ours did pass,

Our motto's hard to sing, we'll try most anything,
So here it is "Life is a Picture, Paint it Well."
With green and gold, our colors tried and true,
And for our flower, it's a yellow rose and we love it too.
We're a jolly and carefree class just as happy as we can be,
And we really are so glad this class of ours did pass.

CLASS MOTTO

The Senior Class of 1946 has chosen as its motto "Life is a Picture, Paint it Well."

The words themselves just about explain the meaning of the motto. After we have graduated, we have a clean canvas on which to paint, this being our future life. It is your life or my life and it is up to us to paint our pictures. So we'll each take a clean canvas and brush and start painting the picture of our lives to the best of our abilities. Life's job is to paint it well, including not only our own happiness but also the happiness of others.

THE CLASS FLOWER

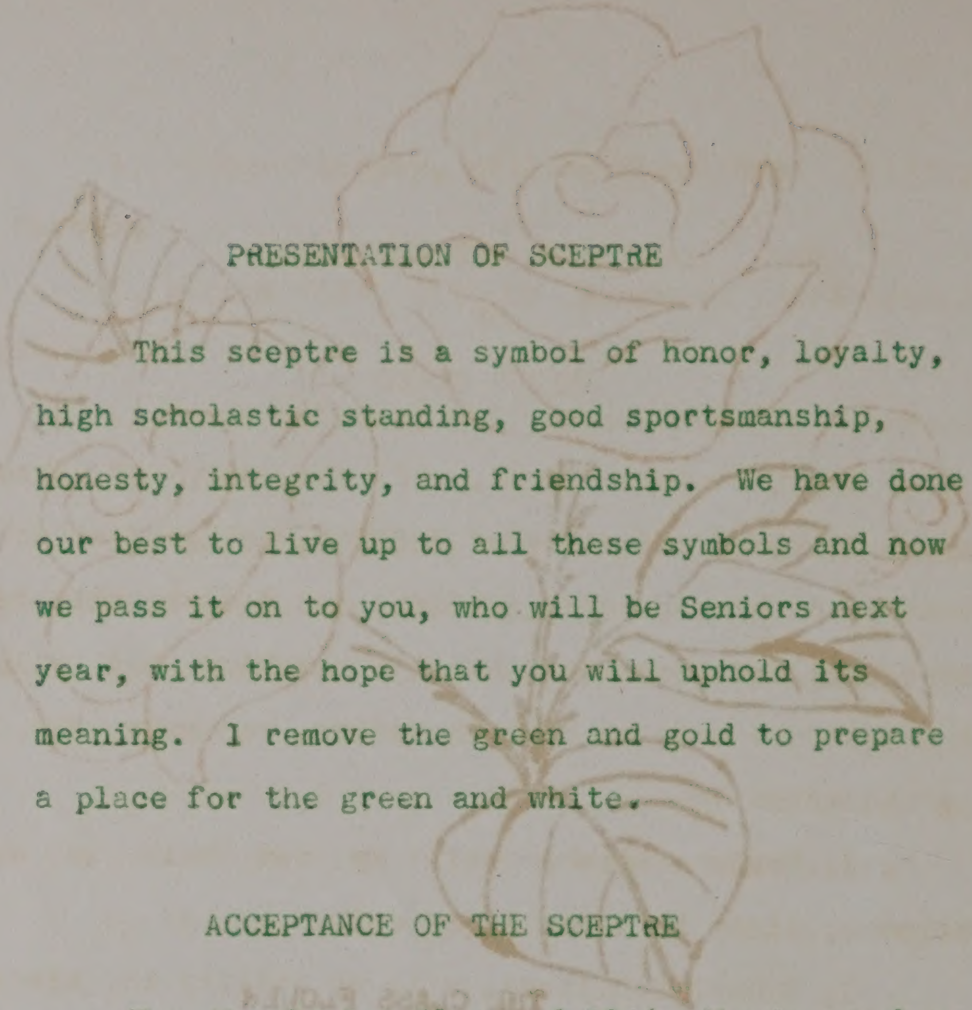
We, the class of '46, chose the yellow rose as our class flower because of its loveliness and fragrance.

Yellow suggests warmth and the light of the sun. The rose blossom symbolizes love. In ancient Greece, the yellow rose was sacred to Aphrodite, Goddess of Love.

Roses have been cultivated for thousands of years, though where they originated is not known. Roses grow in several different climates and soils and are easily cultivated.

The rose belongs to the Roseacea family. In this family are the peach, apple, plum, and pear trees, and strawberries and raspberries, all of which are more or less beautiful while blooming and bear useful fruits. We might apply this to our class, for many of us are more or less beautiful during the flowering of our youth and regardless of our beauty, will in our mature living be useful, solid citizens.

We hope that as we go out the doors of Larwill High School and enter through the doors of the School of Experience we can adapt ourselves to cultivation as easily as the rose does.



PRESENTATION OF SCEPTRE

This sceptre is a symbol of honor, loyalty, high scholastic standing, good sportsmanship, honesty, integrity, and friendship. We have done our best to live up to all these symbols and now we pass it on to you, who will be Seniors next year, with the hope that you will uphold its meaning. I remove the green and gold to prepare a place for the green and white.

ACCEPTANCE OF THE SCEPTRE

We, the Junior Class of 1946, thank you for this sceptre. We look forward to keeping its meaning as well as we know you have done. We are sorry to see you graduate for you will miss you next year. The Junior Class sincerely hopes that your future will be successful and happy.

CLASS HISTORY

We began our Freshmen year with thirty members, seventeen who had graduated from the Larwill eighth grade. Ten of us came from Troy and three came from other schools. Evelyn Birch, our class president, came from Columbia City. Kathleen Fruchey moved in from Columbia Consolidated and Robert Davis from Jefferson Center, which made our total of thirty members. Esta Martz, our secretary and treasurer, left us during the year to leave us with twenty-nine members, the total number we kept throughout the year. LaVonne Schuman was elected as our new secretary and treasurer. Mr. Schuh was nominated as our sponsor that year and the outstanding event was the all Freshmen party held at the shelter house in Columbia City.

At the beginning of the next school year twenty-seven of us had graduated from green Freshmen to well seasoned Sophomores. Warren Marrs left us at the end of the Freshmen year and Lillian Medley moved to Detroit during the summer. About Thanksgiving time Eugene Kile joined us from South Whitley. In return Calvin Dunfee moved to Washington Center leaving us our original twenty-seven members. In the last semester Joe Hively, who came from Columbia City, and Junior Culbertson, who came from Coesse, joined the class making a total of twenty-nine members. Two skating parties at Columbia City was the social high lights for that year. One was held on October 19, the other on April 21.

In the fall of 1944 twenty-six Juniors marched down the halls of Larwill to take their places among the bigwigs of Larwill High. During the summer Junior Culbertson had moved back to Coesse and in turn Violet Surfus moved in from Coesse. Keith Hawn and Jack Schuman decided to seek their fame and fortunes early in life and left school at the close of their Sophomore year. Catherine Bolyard moved to Columbia City where she finished her school career. Erma Shell joined us at the beginning of the year coming from Millersburg. We elected Miss Macklin as our sponsor for the year and our class party was held on October 3. By far the prominent feature of that year was the Junior and Senior Reception held on April 21 in the Assembly at the school building.

In the fall of 1945 and 46 twenty-four of us attained the height of dignified Seniors who were ready to make our final preparations before beginning our climb to fame and fortune. Twenty-four of us began the year and their were twenty-four of us when the school year ended. We ordered our Name Cards in October of that year and received them in March. Our Class pictures were ordered from the Leone Studio and were received around Christmas time. The Class play entitled "No Foolin" was presented on March 8, and was considered a success. The Inner-Class Tourney was held on March 1. The Senior boys won their way to the finals by defeating the Sophomores. The final game against the Freshmen ended in favor of the Seniors 75 to 15. On April 20 the Junior and Senior Reception was held at Hotel LaFontaine, in

Huntington. Our first semester class party was held at the school building. We chose Miss Esarey as our sponsor for Senior year. During the year we decided to publish an Annual, which was entitled The Reflector. It was put out by the commercial department with Miss Esarey as supervisor. Baccalaureate services were held on Easter Sunday April 21 in the School Auditorium. Class Night was held on Wednesday evening, April 24, and Commencement Exercises on April 26. Thus the Senior Class ended its adventure at L. H. S. and was fully prepared to take the facts and figures of life in their stride more successfully than if they had not taken advantage of the best of education offered to them by Larwill High School.

VALEDICTORY

Parents, teachers, friends. To us this night is one toward which we have worked for twelve years. It is with pride and a feeling of deep satisfaction that we look back over these years of work. During these years we have been tendered and cared for, but now we feel that we are able to take our places in the business world.

This achievement could not have been obtained, however, if it were not for the help of our parents and teachers. It is impossible for us to express our full gratitude to them for what they have done. Possibly the best way we could show our appreciation is to keep up the high standards which we have attained in school, throughout our lives, and put to the best use possible this excellent training we have recieved. No one but the student realizes how much the backing of a parent and the patience and understanding of the teacher means to his education. We shall certainly hold a place in our hearts for the parents and teachers who have contributed so much to this achievement.

Our school life would have grown very tedious and monotonous if it would not have been for the fine friendships which we have built up through the years. To these friends and classmates we can only say how we have enjoyed working together and that it is with this only regret that we part and follow our own paths through life. When we have forgotten many of the things that happened in school you can be sure we will still hold in memory the associations which we had with you.

Certainly the time which we have spent acquiring this firm bases for our later work in life has been well spent, and looking back over the years which we have spent in school we can only feel and give deep thanks again to those who have made this achievement possible.

PROPHECY

I returned to Larwill after being away for fourteen years. As I came down the Four Lane Highway 30, I se[illegible] the population sign which read 2,201. The town seemed to have popped up from nowhere. I pulled into Larwill and parked my car in front of the Smith Drug Store. I decided I was hungry for some ice cream, so I went into the drug store. To my surprise, the soda jerk was none other than William Vandersaul. While William was fixing my soda, Dorothy Smith walked out of the office, and William informed me that she was the proprietor. We all started talking about our old school days, and in walked Gene Kile. I asked him what he was doing, and he said he ran the taxi service in the city of Larwill and asked me if I wouldn't enjoy looking the good old place over. Of course, I agreed.

When we got outside, I discovered that by the looks of the taxies moving about on the streets, that they must be using the same Model A's the boys had in the spring of 1946.

After about twenty minutes, Gene got the car started and we started down the new streets of Larwill. We came to the first stop light and it turned red about the time the car in front of us got to it. But did he stop? No, he just drove right on. All of a sudden there was a scream and a woman fell in front of that car. We stopped and ran up to the accident immediately. When I got to looking I thought I was seeing things for there was Betty Rubrake lying on the street and she looked in pretty bad shape. Then the driver jumped out of his car and it was Robert Julian. About this time the police captain came up and I had to look twice, but it was not a mirage, it really was Robert Davis. He said to get Betty to the hospital as quickly as possible, so we loaded her into the taxi and off we started for the hospital.

As we drove up to the hospital two internes came out and put Betty on a stretcher and disappeared with her inside. We went into the waiting room and spent a very hectic two hours. Bob Julian, Gene, Bob Davis and I started talking of our adventures since we left good old LHS. They asked me what I was doing now and I informed them I was a wealthy retired bachelor and I expected to go broke any day.

Finally the door down the hall to the operating room opened and out walked the doctor and nurse. I thought they looked familiar and sure enough when they got up to us it was Carroll Wilkinson and LaVonne Schuman.

Carroll said that they were pretty sure Betty would be all right and after hearing that, we could really shake hands and continue our visiting.

After spending a brief conversation, Gene and I got back in his taxi and headed down the main drag. As we turned on Esarey Boulevard, I noticed a familiar figure standing in the window of Larwill's Famous Fashion Center. As we slowly drove by I recognized her as Violet Surfus.

Just as we were getting a good start we heard a shrieking blur. Stopping at the edge of the Boulevard we got out and investigated the shriek. We found it none other than Virginia Phend, The Town Hall Crier, standing on an orange crate shouting the shocking news about a space ship which had been invented by Richard Lepley. In discussing the subject with Virginia she stated that Eugene Williamson was going to be the Captain and that Lois Jean Western was the Stewardess of the ship. The space ship will make a miraculous non-stop flight from Larwill to Columbia City tomorrow at noon.

We left Virginia shouting the news and Gene and I got back in the taxi and turned down Evans Avenue and passed the Rae Night Club. On the marque was "Donna Rae Smith's Orchestra," featuring Louise Holycross as the singing star. Since Gene worked on the day shift we decided to attend the show.

We went inside the crowded place and the head waiter seated us at a table with a busy executive and his secretary. We found they were the mayor of Larwill, Devon Mathias, and his secretary, Kathleen Fruchey. As Deve and I started talking about old times, Kathleen pleaded urgent letters to write and left. As this subject grew old we got to arguing politics and as I was about to run out of statements I saw Jimmy Gebert, who is the Agriculture Professor at Larwill University. Seeing Kathleen's empty chair at our table he joined us. We asked him if the boys behaved any better than they did at dear old Larwill High. He said he had them under his little finger. After talking awhile he informed us that he had better get home to his Mrs..

Devon, Gene, and I decided to go to the Midnight "Limited, which is commonly called a midnight show. As we bought our tickets we noticed the ticket seller was Evelyn Birch. She told us that Garland Watters was the proprietor of the Midnight Limited and was doing a heartbreaking business.

As we were being shown to our seats we noticed the famous roller skating star, Ardith Buntain. She told us that she had a skating revue under her direction. The night was almost over so we decided to go to our rooms and get some rest.

I was aroused at exactly three minutes until twelve Saturday Morning to hear the launching of the space ship. Eugene Williamson saved farewell to the 2,201 people and started off with a bang.

On my way down town, I noticed Erma Shell coming from the A & P Store. She told me that she was getting to the staying home stage for she had all she could take care of at her little bungalow. Before she left I asked her how to get to the Larwill Church. She said that you go up to Holycross Drive and turn to your left and go up Walters Street and it is in the fourth block. I had lunch, then, went out to Station LHS, which is where Larwill High School formerly was located.

After spending the afternoon listening to local talent most of whom have grown up since I went away, I decided to go up to my room and get some rest.

I was awakened by the ringing of the first church bell. Immediately I got ready to go to church. As I arrived I noticed an enormous crowd had gathered to go to this little church. After I was seated, I seen the preacher, was none other than our bashfull school boy, Edward Bohnstedt. He gave a wonderful sermon and he told me afterwards that the President of the United States has been trying to get him to be a Cardinal.

I chatted a little longer with Ed and then went to the nearest resturant. While I was eating, many memories of my former experiences with my classmates suddenly came back to me. I decided that the class of "46" had turned out pretty well after all and I was really proud of them. I also knew that I would never have any better friends or any better times than I had while I was attending good old Larwill High School.

JUNIOR CLASS HISTORY

The Junior Class of Larwill School consists of twenty-five members.

In our Freshman year we started with thirty-six members. In March Joan Loe and Grayce Stidham from South Whitley; Nellie Moore from Pierceton and Naomi Fosnaugh from Roanoke, joined the thirteen from Troy and the twenty-three who came up in the Larwill School. The class met and elected Lewis Holderman, President; Dorothy Miller, Vice President; and Doris Miller, Secretary-Treasurer. Mr. Schuh was chosen Freshman sponsor. The Freshmen parties were a roller skating party in the first semester and an ice skating party in the second semester. Joyce Marks took first place in the Local Oratorical Contest and third place in the County Oratorical. Doris and Dorothy Miller were chosen school yell leaders.

At the beginning of the Sophomore year we had thirty-six members. In February Nellie Moore moved back to Pierceton, Betty Beasley and Richard Martz withdrew and later in the year Evelyn Watson withdrew, Leaving a total of thirty-two members. The class chose Miss Gernhardt as sponsor. Two parties were held during the year, a hay-ride and a theater party. Grayce Stidham was the Local Oratorical winner and later won third place in the County Oratorical. Dorothy and Doris Miller were again chosen yell leaders.

The Junior year started with twenty-nine coming back in the fall. In October Aletha Kirkham left us to re-enter Pierceton School, Naomi Fosnaugh withdrew in November; Grayce Stidham went to Bourbon and Jack Koons withdrew to North Webster the second semester. The class sponsor was chosen early in the year, Miss Macklin. During the first semester the Juniors had a party in the gym of the schoolhouse. As a money-maker for the year the Juniors sold soft drinks, Icecream and other refreshments at all home ball games. Joan Norris won the local Dramatic Reading Contest and is competing in the County March 30. Donn Ross won the local Oratorical and is competing March 30 in the County Oratorical. The largest activities for the year, Junior-Senior Reception was held April 20, 1946 at the La Fontaine Hotel in Huntington.

This left us a total of 39 at the end of our Freshmen year.

Our first Freshmen class party was a hayride to the show at South Whitley. The second semester, we held our class party in the Community Building in the form of a wiener roast. Thurlow Schuh was our class sponsor.

CLASS HISTORY

In September of 1945 the Freshmen class started its first adventure into high school life. We started with a total enrollment of forty-five; since then we have lost three members; namely, Richard Piekard, Mary Jane Musselman, and James Folk. Out of the class, fourteen are from Troy and one from Columbia Township.

In athletics the Freshmen are very well representated. Nine boys went out for basketball, and a large number of them went out for trach. The girls formed a basketball team and in the Inter-class Tourney came out with top honors by defeating the Sophomores and Juniors.

The class sold Larwill Trojan Badges, which was a great success.

Many of the boys have been initiated into the Hi-Y Club and the girls into the Sunshine Society. The class also has members in Ping Pong, F. F. A., and Nature Club.

The Freshmen play an important part in the musical organization of the school. A large number of ninth graders took an active part in the chorus and its activities. It is also well representated in the band.

At the first meeting we elected the officers and the sponsor which are as follows:

THE BAND

The Larwill School Band is made up of twenty-four members from the upper grades and high school. Miss Macklin, music instructor of the school, is the Director.

The band had as an objective this year the purchasing of new uniforms. Early in the year contact was made with the [illegible]. Price company in Chicago; and soon afterward the members were measured for the uniforms. They arrived piece meal during the second semester, and now are complete. They are royal blue, trimmed in gold braid, have Larwill insigna on the left sleeve, and braid over left shoulder; Sam Browne belts, and bill caps. The directors uniform is a white pleated skirt with white bill cap and jacket trimmed in gold. Mr. Tuttle, trustee furnished over half the necessary money, while the Band Fund, Athletics, General School and Sunshine Society helped furnish the rest. Total cost was near $1000 for the uniforms complete.

The band has had an active year. At each home basket ball game they presented between-game and between-half music; furnished music for the Cakewalk; and Christmas program; several members played in the all county band at Columbia City, March 3rd, presented a short concert at Parent Teachers on March 13th; attended the Clinic at Manchester, March 8; gave a concert at the last Teachers Institute, March 30; participated in the band contest at Ft. Wayne, April 13th. Soloists, Betty North, Rex Ward, Beverly Menzie, and Donna Rae Smith are participating in numbers for contest. The band will finish the year by playing the Processional, an Overture and Recessional at Commencement.

One of the things which have added much to the bands skill is that practically every student is taking private lessons at least once a week and many new comers are also taking lessons.

There are several song-flute classes in the lower grades; consisting mostly of 3rd, 4th, and 5th graders. These people have been working diligently and hope to be in the band someday.

The band will be sorry to lose three senior clarinetists, Donna Rae Smith, Dorothy Smith, and William Vandersaul.

THE CHORUS

There are forty members enrolled in the Chorus this year. Eight of the members are boys. Miss Macklin is the director and Evelyn Schlie is the accompainist.

Some of the outstanding members in solo, duet, and quartet work, are Louise Holycross, Senior, Mary Francis Souder, Junior, Devon Mathias, Senior, Ronald Weaver, Junior, Bud Menzie, and Dwight Deeter, Freshmen.

The boy's quartet was organized this year for the first time. It consists of the following: Dwight Deeter, Bud Menzie, Ronald Weaver and Devon Mathias. They have appeared in programs several times, both in school and elsewhere. They sang at the Methodist Church, at the Sunshine-Hi-Y party, and for the Senior Class play.

The Chorus, as a group, has worked very hard, although they didn't have a very full season, in comparrison to previous years.

The appearances the Chorus made were at the Christmas program combined with the band, at the Music Festival, held at Columbia City, where they participated with an all county chorus. They also presented a short program at the Parent Teachers Meeting on February 18.

SUNSHINE SOCIETY

STATE HISTORY

The Indiana Sunshine Society was organized December 24, 1900 at Crawfordsville High School. Margaret Dice was the first president and the first year's work was devoted to the children of the Mission Schools. The state Sunshine pin was adapted in 1925. In 1935 the State Sunshine Song "My Sunshine Girl" was adapted. The first state dean was Mrs. C. E. Sandfur of North Vernon, elected in 1927.

LOCAL HISTORY

The Larwill Sunshine Society was organized on October 23, 1933 by the South Whitley Chapter. Since that date when we started with 15 girls our membership has increased to 70.

We have two sponsors, Miss Monzelle Thomson and Miss Elaine Esarey, who have helped to make our society what it is today.

Our officers for this year are: President, Lois Jean Western; Vice-President, Joan Myers; Treasurer, Dorothy Smith; Corresponding Secretary, Dorothy Miller and Recording Secretary, Jeanne Gebert.

Our activities for the year were: Initiation Services in September, the selling of Christmas Cards with which we bought a combination radio and record player, Christmas Party and Caroling in December, the selling of Sunshine pencils, the proceeds going to the Riley Fund, the Hi-Y and Sunshine party in January, the Birthday party in February, Cake walk in October, District Meeting at Huntington on November 17, Camp in the summer and the Mother and Daughter Banquet in March.

The work of the Sunshine Society is recognized by state and nation as being one of the best for high school girls. Any girl should feel both proud and happy to be a member of the Sunshine Society, which stands for happiness, good cheer and higher ideals.

The closing of the years work in Sunshine will include the State Convention at Decatur Central, south of Indianapolis on April 6, election and installation of new officers and a party in April in honor of departing Senior members. The Secret Sisters will also be disclosed at that time.

The first meeting of the Hi-Y club this year was held on October 24, 1945. On the 28th of October the Larwill Hi-Y Club performed initiation ceremonies for Jefferson Center's new club. The Hi-Y Club is financed through shows and other amusements. This year we had a dog and pony show and took and sold pictures of all the classes.

The Hi-Y creed is: "To create, maintain, and extend throughout the school and community, high standards of Christian character."
